

A Look Into Our Three R's Programs

**Check out our landfilled
diversion numbers:**

Ceramics

All of our ceramic products that are nonreusable in house, get donated locally to be reused.

5,355 lbs

Stainless

All imperfect stainless steel drinkware is recycled.

2,774 lbs

Plastic Bags

We have taken significant steps toward discontinuing poly bags when packaging pens and ceramics!

9,840 lbs

Cardboard

Our suppliers provide corrugated packaging made with recycled materials.

197,120 lbs

Paper

In an age where technology is progressing we are paperless bound.

26,800 lbs
